

# SITUATIONAL AWARENESS SAFE DIALOGUE

Improve every pre-job  
brief with a  
**SAFE DIALOGUE**

## SAFE DIALOGUE

Prevention Begins with a Conversation!

**S** **S-ummarize Critical Steps**  
"What do you have to do today?"

**A** **A-nticipate Errors**  
"Where could you make a mistake?"

**F** **F-oresee the Consequences**  
"What is the worse thing that could happen?"

**E** **E-valuate Defenses**  
"How will you prevent it?"

- ✓ **Situational Awareness** - You have to know what is going on around you and how it can impact what you are doing.
- ✓ Understand job steps, potential mistakes, the consequences, and the controls.
- ✓ Safe work begins with a conversation and questions.
- ✓ A **SAFE DIALOGUE** promotes a Questioning Attitude:
  - Questions raise awareness.
  - Questions help avoid blind spots.
  - Questions reveal risk.
  - Questions encourage you correct hazards.
  - Questions show where things may go wrong.
