Prevention Begins with a Conversation

SAFE DIALOGUE

Prevention Begins with a Conversation!

S **S-ummarize Critical Steps**
"What do you have to do today?"

A **A-nticipate Errors**
"Where could you make a mistake?"

F **F-oresee the Consequences**
"What is the worse thing that could happen?"

E **E-valuate Defenses**
"How will you prevent it?"

The **SAFE DIALOGUE** provides people with a method to generate useful discussions about safety.

Ask the following questions:

- What are the critical steps of the job?
- What errors can you anticipate?
- What is the worse thing that can happen?
- How do you do you protect yourself?
- **Describe the benefit of using the SAFE DIALOGUE. Provide examples.**
